

## NEW FOR SUMMER 2017!

### Introducing... Tree-Top Trekking!

This exciting new addition to our High Ropes Course is going to bring you to new heights! A series of suspended bridges will connect the elements to each other. Over this winter and next, the experts at Challenges Unlimited will be building these new additions, sure to be a hit with everyone!

### FLOID... Better than ever!

Several new elements are coming to our Floating Land of Inflatable Dreams for Summer 2017! A brand new Summit Express, a cool new rocking trampoline (pictured above), and connector bridges between the elements will make this activity even more fun!

### Pine Lounge... A new hot spot!

The Pine Lounge has been cleared away to make room for this awesome new gathering spot similar to this photo.

With split log benches, this new addition will be an ideal spot for a cabin or a section to tell stories, sing songs or just hang out! We'll be having a contest this spring to come up with a name, so start brainstorming ideas!

## Ali and Sam's 10 things to expect when being a Kimi Counsellor:

1. Waking up to a bunch of kids jumping, crawling or making funny noises at 7am if you're lucky (wakeup at 6am the entire first week)
2. Going puddle jumping and dancing in the rain no matter the weather conditions outside
3. Getting influenced by your campers and start staining at least one piece of clothing each day
4. Unlimited hugs and cuddles
5. Getting to get staff snack early because your campers are all asleep by 9:30
6. Getting to get fast food lunch first because kiwis are the best! (BOOM!)
7. Drinking at least 1 cup of coffee a day in order to keep up with your campers who never need sleep during the day
8. Getting to go on raids with your campers, so that you can throw the best pop and chip party
9. Visits to the infirmary for "big boobos" (**tip:** a kiss on the "booboo" or a lollipop usually heal the "injury" within a minute)
10. Giving lots of good night hugs while tucking everyone in their beds every night!

*Ali and Sam are both counting down the days until summer and can't wait to meet their new campers!*

## *Top 5 To Do's at CWP on a Rainy Day by Jack Bleimeis and Ty Greenberg*

It's always sunny in our hearts at White Pine, but sometimes not outside. When Mother Nature ruins our plans to go skiing or play basketball at Second Morning, here are some of the must-do's around camp:

1. **Mud Sports:** Whether it is soccer or fenceball on Big Field, or football or ultimate frisbee on Pio, mud sports always end in great memories and a jump in the lake. Be sure to leave your Polo bathing suit behind, as this can get a little dirty.
2. **Board Games:** Whether you want to play cards, Monopoly or any other camp favourite, playing games with friends is what camp is all about. Break open a bag of snacks and let the fun begin!
3. **Visit Pine Street, the Creative Arts and School of Rock:** Whether you go to Pottery, A&C, Glass, Wood or Copper, you can be sure to have a great time and make a gift for mom, dad, or a friend. If you're not the crafting type, you can find School of Rock at the Big Rec and learn from the pros on the drums, guitar, keyboard, and much more.
4. **Puddle Jumping:** This is why every cabin in girl's camp has a section of the porch dedicated to rain boots. Remember to never leave your cabin if there is a threat of lightning, but if the weather cooperates what can be better than soaking yourself and your friends!
5. **Hike:** If it's only a light drizzle, it's a great time to hike around the lake and explore the wilderness that surrounds CWP.

*As we always say at CWP: "It never rains at White Pine if there's sunshine in your heart!"*

# PRE-WEE AND KIWI PROGRAMS 2017!

## Pre-Wee Programs (Campers age 6-9)

Our Pre-Wee programs are the ideal way to introduce your child to the magic of Camp White Pine.

Your child's experience at camp will be warm, welcoming, and full of fun. This will ensure the foundation for successful camp experiences for many years to come. Our mature and caring staff, under the supervision of Head Counsellor Steph Levy, create a well-rounded, jam-packed camp adventure. Campers participate in a wide variety of camp activities that capture the White Pine spirit.

At the end of the trip, your child will arrive home with exciting stories to share of their first experience at camp.

### 2 Week Kiwi Session

At White Pine we take pride in creating a unique, nurturing program tailored specifically to our youngest campers. Kiwi counsellors know how important the adjustment to camp is at this age, and very quickly the Kiwi section becomes a family.

This program is varied and exciting and exposes the campers to everything camp has to offer. The Kiwi summer brings new friends, unforgettable experiences and personal growth. When your child returns home you will notice a difference.

There are still a few spots open for this summer's session, so don't miss out on a chance to book now.

## What else have we been up to this winter?

"What do you do all winter?" is a question we get asked often. While we definitely aren't as busy now as we are in the summer, there is lots to do to get ready for camp! In Toronto we are busy hiring staff, meeting new campers, ordering supplies for the summer, planning canoe, bikes and ropes trips, and more! Up at camp, Jay and his team are busy doing all kinds of repairs including a huge renovation in the kitchen, re-tiling Boys' Main washroom, and working on the new Gazebo/Fire circle. Stay tuned this spring for our contest to name this new spot!

From all of us at Camp White Pine, we wish you all the best for 2017 and we can't wait to see you at CWP this summer!
