# HEY KIWIS OF 2021!

## Welcome to White Pine

### Hey Kiwis!

Summer is just around the corner and I have to tell you that I can't stop thinking about camp! Are you excited? I sure am!

I can't wait to spend the summer with you! I hope you're excited for the awesome programs we've got planned for you. For all the campfires, mouth-watering chipwich desserts, Sunday night sing-songs, playing tennis, building something out of wood, and trying to get up on waterskis! Most of all, I hope you're excited to meet some new friends and make some unforgettable memories!

White Pine is truly one of the most amazing places in the world, and being a Kiwi is where it all begins. I know from experience. Believe it or not, twenty-eight years ago I was a Kiwi. By the end of your first day of camp you will have an entire cabin full of new friends, counsellors you love, and a belly full of the best camp food on the planet! If you can't feel it yet, there is an excitement about camp that'll hit you as soon as you arrive. And I'll be right there with you from the second you arrive, ready to make this summer your best one ever! I am really looking forward to an incredible summer with you, packed with the most fun and exciting experiences that will create memories to last a lifetime.

I can't wait to meet you all!

**Jeremy Nusinowitz - Kiwi Section Head 2021**

# Meet the Section Heads

Hey Koalas of 2021! I've been looking forward to being your section head for 2 full years now and I am so excited the time is finally coming. After a year where so much has been difficult, this summer we are going to focus on one thing, FUN! We are going to have a jam packed summer filled with fun. From beach parties to section half days, from midnight ropes to playing on the brand new sports complex, I am beyond ready to do it all with you. So get ready Koalas, we are the biggest section in camp and the biggest Koala section in years! Our energy is going to be off the charts. So I'll see you all on July 2nd

# KOALAS

**Jesse Kronick, Koala Section Head**

# BLUES

Hey Blue Dolphins! I'm SO excited to be your section head for summer 2021! Between Sunday night sing songs, eating curly fries at outdoor lunch, and jumping in the lake on hot days, this summer is going to one for books. Get excited to be in the best section ever with the blue mitzvah, blue prom and so many more special activities! I can't wait to get to know you all and be back at our home away from home! - **Sara Abrahamson, Blue Dolphin Section Head**

Where my Reds at!! It's your 2021 section head! After waiting almost two years to return to our home away from home I know this will be the BEST summer yet! As the oldest section in main camp, Reds know how to do it best!! Counting down the days until we can sit around the fire circle, dress up for the All-Day and be back with our best friends. See you at camp very soon for the most amazing summer ever, I can't wait to spend it with you! -

# REDS

**Sierra Pulver, Red Dolphin Section Head**

# GNUS

GNUS! I can't wait until we're all together 'up the hill' in a few short weeks! As you may already know, the GNU section is at the highest altitude of Camp White Pine. Because we had a year off camp, we'll be incorporating some high altitude training into our summer program... (Just kidding). After a few years away from camp, I can't wait to return for my 18th summer, and step away from the ski docks to hang out with all of you! I have been working with the White Pine leadership team and planning committee since early April this year, helping the Kronicks prepare for the summer ahead. Everyone has been working tirelessly to create a safe environment for all of us! Our programming is exciting and fresh and there's a lot to look forward to. Let's just say... White Pine is definitely the place to be this summer! Can't wait to see all of you soon! - **Dave "Grunny" Grundman - Gnu Section Head**

Hi TV's! Welcome to the best section in camp! After 2 long years, we are finally going home. There is going to be no better feeling than sitting around that TV fire circle, laughing, singing and eating lots of late night TV snack. This is going to be, hands down, the best summer ever up in the village. To all the campers coming up to TVs for the first time this summer, I can't wait to hang out with all of you, get to know you and spend our summers together. Between the TV All-Day, the famous Casino night, and endless late night activities - there is no better place to be this summer than in TVs, you're going to love it. I am also so happy to have Liv and Zack as our amazing CIT coordinators. It's definitely a good time to be a TV!!!! Get those legs warmed up, that TV hill is a beast.
