THE BEST NOSH AT CWP

SAM (Wilder) + SAM (Pencer)

NOSH, NOSH, CRAZY NOSH

When you hear that catchy jingle, you know that it's time to come on down and get your Nosh. We are Sam & Sam, we have been coming to CWP our whole lives and we are so excited for a great year at Sail this summer. Speaking of camp, here is a Top 10 list of our favourite Nosh.

#10. Regular Popsicle (A.K.A Lollys)

A CWP staple, never fails to cut the heat under the blazing sun

#9. Animal Crackers

A less common Nosh, but still very very very good

#8. Pop Tarts

Another classic CWP Nosh (still good without a toaster)

#7. Frosty's

We both agree that the Frosty's are better than their Fudgesicle counterpart

#6. Dunkaroos

A childhood favourite mixing sweet vanilla icing with a scrumptious cookie

#5. Ice Cream Cups

While the Caramel one is by far the best, all of these deserve a top 5 spot on our rankings

#4. Gushers

This is one of the rarest Nosh, but are always welcomed as a delicious treat

#3. Fruit Roll Ups

This divine delectable treat is as rare as it is incredible

#2. Plum Nosh

Nothing better than sinking your teeth into the sweet soft treat of a ripe summers plum

#1. Chocolate Bar/Photo Nosh

If you can fight back the tears on Photo Nosh, these chocolate bars are the perfect way to cap off a delicious summer of Nosh

Bonus Tip: We usually have extra Nosh in the sail shed, so come by and say hi!

TOP 10 FAVOURITE HIGHLIGHTS OF CAMP

By: Amy Brandes and Mackenzie Burnett

Every year at CWP is somehow better than the one before. We decided to take you through our top 10 favourite highlights of camp that never seem to lose their magic, no matter how old we get...

10. Fast Food Lunch!

Everyday at camp you get 3 nutritious & delicious meals but once in a while, a yummy fast food lunch is necessary! When you find out that lunch is chicken nuggets, fries, pogos and pizza pockets it's such a thrilling news and always a hit! Don't even get us started on the amazing music lunch that goes along with it...

9. 30 Minute Sleep-in!

Whether it's after a camp play or Adam and Dana were just feeling generous... hearing the phrase, *"tomorrow there will be a 30 minute sleep-in"* is always the MOST exciting news!

8. Getting woken up for the Midnight Special!

Getting woken up for the Midnight Special is the most exciting night ever! You get to go to a midnight camp event with music, games and incredible yummy treats! Every year, the midnight special has a super fun theme that the night is based on and overall is a major highlight of camp!

7. Evening Program BEACH PARTY!

After dinner there is always a fun evening program (EP) for your section but there is no debate that the best evening program is a beach party! Getting to go to the swim docks with your friends, jumping off the tower, and having a beach party while watching the beautiful sunset is a memorable camp moment!

6. Canoe Trip!

Yes, you read this right... although this may be the most controversial part of camp, there is absolutely no doubt that the memories you make on canoe trips will last you a lifetime. Cuddling up with your best friends in the tent after a day of canoeing, laughing over helping prepare dinner, and singing songs while paddling to your campsite, is definitely a camp highlight and something we will cherish forever. Oh and you can't forget about the delicious trippers breakfast.

5. Hearing you have a Waterfront Afternoon at round up on a hot summer day!

Your whole section is gathered to hear what you have in store for the day. You already feel the hot sun on your face and know that there is no better place than the lake on a day like today! After waiting patiently for your section head to announce your activities, nothing brings more joy than hearing SKI, SAIL, FLOID, CANOE.

4. Waking up on the All Day!

ALL-DAY, ALL-DAY, ALL-DAY, ALL-DAY! The best day of the summer awaits you... It is bright and early in the morning, you wake up more alive than ever. You put on your team colour that you put aside last night after the break, and rush to the spot to meet your team. Today is finally here! You are certain that you will compete the hardest you ever have to hopefully come out victorious and win the day with your team.

3. Placing in Airbands!

Your cabin has worked for the past 3 weeks leading up to this moment. You've made it through section airbands and now it's time to show the whole camp what you've got! We can tell you that the excitement and pride you feel as a cabin after placing in camp wide airbands is an experience like no other!

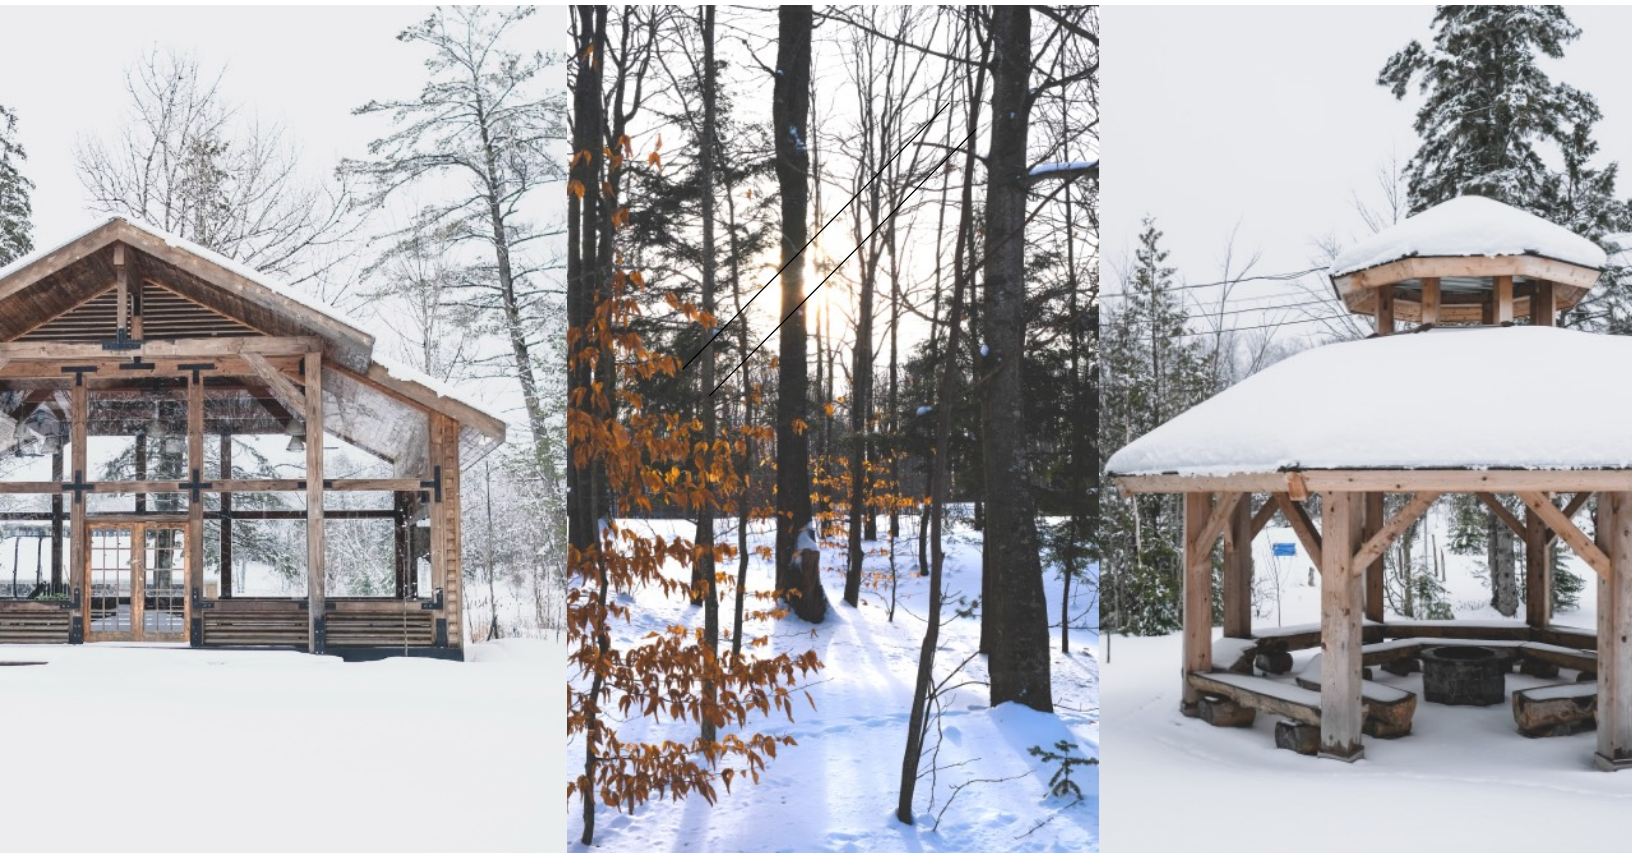

2. Country Roads at a Singsong!

Singsongs are some of the best moments of camp. Nothing can compare to the feeling of hearing the classic beloved song *Country Roads* with the perfect pastel sunset in the background, while the bonfire floats in the lake. There is not a single place you'd rather be belting the words to a camp classic!

1. Getting off the bus!

Finally, the day we have all been waiting for is officially here! After what has seemed to be the longest bus ride ever, you have arrived at your home away from home. You step off the bus, breathe in the fresh, beautiful camp air, and run as fast as you can to find your counsellors, sleep-ins and new friends on PIO. Finally, you are home.

These are just 10 amazing highlights throughout our summers at CWP. We cannot wait to enjoy even more highlights like this with all of you this upcoming summer!

We hope you had a great holiday season and a HAPPY NEW YEAR! We can't wait to see you back at camp for Summer 2023, it is going to be amazing!

Love,

Adam, Dana, Jesse, Sammy, Jen O, Grunny, Steph + Anthony
