On the Docks with Jonah & Coby

There are many great activities at camp, but, as ski staff, we know there is no better place than spending a beautiful sunny day at the Ski/Sail/FLOID docks. We can't wait for Summer 2024!

Jonah and Coby present our TOP 10 things to do down at the docks:

1. Skiing & Barefoot Sessions

Recent scientific studies have proven waterskiing increases the chances of having a great day.

2. Cabin Surf Sessions

There is nothing better than a cabin surf sesh. Grabbing all your friends, enjoying the lake, singing songs and riding that wave!

3. The Ski Marathon

The best day of the year is finally here! Ski Marathon is our highlight of the summer. Make sure you wear enough sunscreen because we are going to be going ALL DAY LONG. Endless skiing, surfing, wakeboarding and footing to start and end the day.

4. Evening Program Dock Party

Everyone's favourite evening program! The entire section comes down to the docks, throws on a lifejacket in the form of a diaper and just enjoys the lake. It's the simple things!

5. Rainy day FLOID

What's better than regular FLOID? FLOID in the rain! Making all the elements extra "slidey", there is nothing better than a rain party on FLOID.

6. Cabin sailing on the laser

On the days where there is a little more wind in the air and it isn't perfect bare-footing weather, we love to get on the good ol' Laser and take it out for a spin.

7. Dock Lunch

Webers who? Come to the docks to enjoy our famous "flurgers". The best place to have lunch!

8. Birthday Tubing

High jumps and going wake to wake, enjoy the ride with Chef Patty's famous cake. We love taking cabins for Tubing Sessions for campers' birthdays! It is a great way for the whole cabin to have tons of fun together.

9. Section Ski/Sail/FLOID

Can't decide, why not all three? The best activities at camp - all down at the docks.

10. Rain Party on PIO

When we aren't able to stay on the docks because of the rain, we take the party over to PIO field. Mud football, kneeboarding on the grass, soccer and lots of dancing. The rain never stops us!

MEGAN & JESSE GOT MARRIED AT CAMP!

On Sept. 2nd, 2023 we had an incredible wedding for Megan & Jesse! It began with a beautiful ceremony at the Staff Lounge, followed by a cocktail party at the Pump, and an amazing dance party in the Dining Hall.

There was incredible food from Chef Patrick and the kitchen team, and an amazing cake by our Baker, Brittany. The weekend was AMAZING and filled with tons of CWP love, including lots of current and past CWPers. Here are some pics!

Farewell to CWP Legend Doreen Kronick

On June 23rd, 2023 we said goodbye to Doreen Kronick. Joe and Doreen were pioneers in the camping industry. In 1956, they started Camp White Pine and for over 60 years they impacted the lives of thousands of campers and staff. While Joe always ran CWP, Doreen was involved in both

White Pine and Camp Towhee. Doreen was a professor and a leader in the field of learning disabilities worldwide. She founded the Canadian Association for Learning Disabilities, the Integra Foundation and Camp Towhee. Doreen and Joe were both Camp Legends and they are missed dearly by everyone who's lives they've impacted.
