

WINTER WHISPERER 2025

Coming to CWP in 2025...

This summer we are transforming The Summit into PICKLEBALL! While keeping the basketball court, we will be building 6 brand new Pickleball courts!

With its own set of staff, Pickleball is going to be the hottest new activity!

Best Cabin Programs

Puddle Jumping and Pio Party

Rain doesn't stop us from having fun at camp, whether we are grabbing our rainboots and jumping in the biggest puddles around camp, or putting on bathing suits and playing mud soccer on Pio, rainy days are arguably some of the best days at camp.

Cabin All-Day

The second best day of the summer, where two teams face off head to head in a day full of competition and fun. No matter the activities booked for the day, every one is filled with energy and teamwork.

Airbands

Spending days making an airbands as a cabin, everyone shares so many great laughs and moments together. From creating a story to making the props, the lead up to airbands couldn't be more exciting.

Slip Fights

One of the best parts of pottery is the slip fight that happens on motel lawn. With everyone in their bathing suits on a hot day, and rinsing off at swim, it is guaranteed to have a blast at cabin slip fights.

Cupcake Decorating

Whether it's a birthday celebration or cabin bonding, decorating the warm cupcakes baked by Brittany in the kitchen is one of the best (and messiest) cabin activities in camp.

Karaoke Party

Karaoke in JoJo Hall is the best!! Picking out your favourite song to belt out loud with your cabin can't get any more fun. It doesn't matter how good or bad of a singer you are, karaoke parties don't judge!

S'mores/Hot Dogs at Pio Point

Sitting around the fire at Pio Point always calls for a fun snack! Either with hot dogs or toasty marshmallows that get all over your hands, it's such a fun cabin bonding activity.

Stargazing

When you quietly head to Pio in your pyjamas, to lay down on the grass, you look up to see the most amazing stars. Laying down in a line with your cabin mates and counting the number of shooting stars you have seen, is one of the most magical parts of camp!

Scavenger Hunts

Running around camp looking for the clues knowing that there will be the best surprise at the end, scavenger hunts bring on a new level of teamwork and problem solving as a cabin. Ending off with a pop and chip party is always a fun and rewarding treat to finish this fun activity!

Celebrating 70 Years of Magic

In Summer 2025 we are celebrating 70 Years of Camp White Pine. What started as a fishing lodge in 1956, founded by Joe Kronick, has turned into a summer oasis: A place where thousands of children, over the decades, have made memories and friendships that last a lifetime.

70 GREAT YEARS

OUR FAVOURITE CWP TRADITIONS

By Maddie Taylor & Carlie April

ALL-DAY PROGRAM

This is the day that we look forward to the most. Each summer, the anticipation builds as everyone tries to predict the theme. The excitement begins as campers are awoken for the break and it doesn't stop until the day ends in friendly competition. There's nothing like the Camp White Pine All-Day, it's hands down the best day of the year!

SUNDAY NIGHT SING SONG

Another really special tradition at camp is the Sunday Night Sing Song. Once a week, the entire camp gathers to watch the sunset and sing together. It's a memorable tradition that brings everyone closer, reminding us why camp feels like home.

SATURDAY MORNING BUFFET BREAKFAST

Who doesn't love a sleep in followed by a delicious buffet breakfast? The best food with amazing options. It's a great way to start the weekend and an amazing CWP tradition.

AIRBANDS

Airbands is the competition of the summer! Every cabin gets to showcase their creativity and talent with a lip-sync performance, and the camp is filled with energy. It's one of the most unforgettable nights of the year.

NOSH

One of our favourite times of the day is Nosh. At 3:45, it's the perfect time for a snack. As one cabin sings the nosh song, everyone lines up to grab their cabin snack. It's a great opportunity to spend time catching up with friends. It's a sweet and simple moment that makes the day even better.

Josh's Favorite Musicals of 2024

By **Josh Tonks** (Head of Drama)

There have been some fantastic additions to Broadway this year, adding to the classics we already know and love. So here's a list of my Top Musicals of 2024 and maybe we will see one at CWP this summer...

MATILDA

A mischievous adaptation of Roald Dahl's novel with some incredible choreography and a quirky, yet ingenious score from Tim Minchen.

STRANGER THINGS: THE FIRST SHADOW

If you like the TV series, you'll love this visual spectacle. A little long, but the performances are spot on recreations of the series' beloved characters.

PERCY JACKSON AND THE LIGHTNING THIEF

Another film adaptation with great visuals and a fun, contemporary score.

HADESTOWN

The unique choreography and incorporation of the band make this jazzy musical stand out!

OPERATION: MINCEMEAT

I've not seen this one because it's constantly sold out, but all I've heard is how amazing it is!

SIX

As empowering as it is educating, SIX puts a catchy pop spin on the six wives of Henry VIII. If you like history and pop divas, this is the show for you!

CHOIR OF MAN

A wholesome musical that delivers pop hits and great harmonies all set in a familiar London pub called The Jungle.

LES MISERABLES

A musical theatre classic with a gorgeous sung-thru score of world-famous songs. Join the revolution!

TITANIQUE

I hear one of Camp White Pine's own might be starring in the Canadian production? Check out Seth Zosky as Jack Dawson if you haven't already!

WICKED

The most "popular" musical ever just got an incredible film adaptation. You'd have to be living under a rock to have not seen this gravity defying spectacular.

"If I could have my utopia, it would be
White Pine all year round."

DYLAN GREEN (STAFF)

"I began as a camper at Camp White Pine when I was 8
years old. My 'career' continued for 28 wonderful years."

MICHAEL KALLES (ALUMNI)

"Growing up, and still to this day, I spend my entire
year dreaming about the summer."

OLIVIA KIMEL (STAFF)

70 GREAT YEARS

"Camp White Pine is built on a foundation of love, growth, and
incredible experiences. We are so thrilled that our children are
spending their summers at CWP"

NICOLE AND CORY ROSEN (PARENTS)

"I feel confident sending my kids to CWP knowing they will have
the most amazing summer with staff that love and care for
them"

ALANA FIRESTONE (PARENT)

We hope you had a great holiday season and a **HAPPY NEW
YEAR!** We can't wait to see you back at camp for our 70th
Summer in 2025!

Love,

Adam, Dana, Jesse, Sammy, Jen O, Grunny, Steph + Anthony
