# 2025 PROGRAM DIRECTORS

**TYLER GMYREK, B. Ed. - Year 20!**

As the anticipation for summer grows, I find myself counting down the moments until we're all back together at camp. There's nothing quite like the feeling of arriving, stepping onto Pioneer Field, and knowing that an incredible summer is about to begin. Camp is a place where magic happens, where bonds are formed, and where every day brings something new to experience.

**This summer will be no exception—it's going to be bigger, better, and more exciting than ever before!**

Get ready for the Midnight Special, The All-Day, Colour Run, The SIX, Halloween, and the Carnivals—all the events that bring camp to life. We have a few surprises up our sleeves that will make Summer 2025 truly one for the books.

I can promise you this—it's going to be a summer you'll never forget. I can't wait to see each and every one of you, to share in the laughter, the adventures, and the incredible memories we'll create together.

**So get ready, because camp is calling, and the best summer yet is just around the corner!**

**SETH ZOSKY, B.F.A. - Year 13!**

My excitement for camp this summer is at an all-time high. From outdoor adventures, to captivating arts and crafts, to camp-wide events, I can't wait to ignite curiosity and foster lifelong memories at CWP. I am so excited to get to know all of the campers through a summer filled with laughter, learning, and unforgettable moments. Together, Tyler, Hollie and I will embrace every opportunity to create magic beneath the summer sun (or rain! that's fun too!).

**HOLLIE ROBERTS, HND - Year 3!**

I'm thrilled to be stepping into the role of Program Director this summer. After spending the past two years on the drama team, I'm excited to bring that crazy energy and make this summer one to remember! We've already got some fantastic plans in store, from creative activities to unforgettable evening programs, and the playlists for the dining hall are already coming together - I can't wait to hear all of yours too! I am counting down the days - Summer 2025, here we come!

**Welcome to our NEW CAMPERS for 2025!**

**We can't wait to welcome you to our home away from home**

# THE BEST DAYS OF OUR LIVES

## 70 GREAT YEARS OF CWP

Seventy years ago my dad, Joe, visited a small fishing lodge in the Haliburton Highlands. The beauty of the serene lake, the smell of the White Pine trees, and the rustic site won him over. He had found the home for his dream of Camp White Pine. The focus was on “A Unique Experience in Small Group Living” with warm and caring counsellors providing “Love and Limits”. Joe's philosophies and values have stood the test of time. Dana and I met at camp and have had the privilege of directing CWP for over 35 years. We are thrilled to see Jesse and Sammy continue the tradition. We want to thank everyone who has ever attended camp. We hold a special place in our hearts for our CWP family. You share our passion and love of camp and you have helped make CWP the magical place that it is. We look forward to continuing the traditions for many great years to come.
